FOR IMMEDIATE RELEASE: MTV'S TEEN CRIBS BECOMES UNISEX SALON'S NEWEST "CLIENT"

JANUARY 22, 2010

A recent episode of MTV's latest reality show sensation, *Teen Crips*, featured "Don't Look Down," the catchy, Farfisa-driven single from Unisex Salon's 2008 debut, "Like A Bitch." So how does a song with an F bomb in the chorus make it into a show aimed at teeny boppers? Don't ask us!

Catch *Teen Crips* seven days a week on MTV, or 24/7 at mtv.com.

Unisex Salon continues to perform regularly in New York City. On January 16, the band played a sold-out double bill with Spacehog at legendary East Village venue Webster Hall.
